## **COMPLAINTS AND GRIEVANCES POLICY**

**Mandatory – Quality Area 7**

### **Purpose**

This policy will provide:

- guidelines for receiving and dealing with complaints and grievances at Waverley Meadows Pre-School; and
- procedures to be followed in investigating complaints and grievances.

Note: This policy does not address complaints relating to staff grievances or employment matters. The relevant awards provide information on the management of such issues.

### **Policy statement**

Waverley Meadows Pre-School is committed to:

- providing an environment of mutual respect and open communication, where the expression of opinions is encouraged;
- compliance with all legislative and statutory requirements;
- dealing with disputes, complaints and complainants with fairness and equity;
- the establishment of mechanisms to promote prompt, efficient and satisfactory resolution of complaints and grievances; and
- maintaining confidentiality at all times.

### **Scope**

This policy applies to the Approved Provider, Nominated Supervisor, Certified Supervisor, educators, staff, students on placement, volunteers, parents/guardians, children and others attending the programs and activities of Waverley Meadows Pre-School.

## **Background and legislation**

Complaints or grievances may be made by anyone who comes in contact with Waverley Meadows Pre-School including parents/guardians, volunteers, students, members of the local community and other agencies.

In most cases, the Approved Provider will be responsible for dealing with complaints and grievances. All complaints and grievances, when lodged, must be initially assessed by the Approved Provider to determine whether they are a General or a Notifiable Complaint (refer to Definitions).

When a complaint or grievance has been assessed as 'notifiable', the Approved Provider must notify the Department of Education and Early Childhood Development (DEECD) of the complaint or grievance within 24 hours.

The Approved Provider will investigate the complaint or grievance and take any actions deemed necessary, in addition to responding to requests from and assisting with any investigation by DEECD.

There may be occasions when the complainant reports the complaint or grievance directly to DEECD. If DEECD then notifies the Approved Provider about a complaint they have received, the Approved Provider will still have responsibility for investigating and dealing with the complaint or grievance as outlined in this policy, in addition to co-operating with any investigation by DEECD.

DEECD will investigate all complaints and grievances it receives about a service, where it is alleged that the health, safety or wellbeing of any child within the service may have been compromised, or that there may have been a contravention of the Education and Care Services National Law Act 2010 and the Education and Care Services National Regulations 2011.

## **Definitions**

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. Approved Provider, Nominated Supervisor, Regulatory Authority etc. refer to the General Definitions section of this manual - available at the kinder

**Complaint:** An issue of a minor nature that can be resolved promptly or within 24 hours, and does not require a detailed investigation. Complaints include an expression of displeasure, such as poor service, and any verbal or written complaint directly related to the service (including general and notifiable complaints). Complaints do not include staff, industrial or employment matters, occupational health and safety matters (unless related to the safety of the children) and issues related to the legal business entity, such as the incorporated association or co-operative.

**Complaints and Grievances Register:** A record of information about complaints and grievances received at the service, including outcomes. The register must be kept in a secure file, accessible only to educators and Responsible Persons at the service. The register can provide valuable information to the Approved Provider on meeting the needs of children and families at the service.

**Dispute resolution procedure:** The method used to resolve complaints, disputes or matters of concern through an agreed resolution process.

**General complaint:** A general complaint may address any aspect of the service e.g. a lost clothing item or the service's fees. Services do not have to inform DEECD, but the complaint must be dealt with as soon as is practicable to avoid escalation of the issue.

**Grievance:** A grievance is a formal statement of complaint that cannot be addressed immediately and involves matters of a more serious nature e.g. the service is in breach of a policy or the service did not meet the care expectations of a family.

**Mediator:** A person who mediates and participates in the reconciliation of differences between disputants.

**Mediation:** A proactive method to bring about a peaceful settlement or compromise between disputants through the objective intervention of a neutral party (from outside the Pre-School).

**Notifiable complaint:** A complaint that alleges a breach of an applicable Act or Regulation, or alleges that the health, safety or wellbeing of a child at the service may have been compromised. Any complaint of this nature must be reported by the Approved Provider to the secretary of DEECD within 24 hours of the complaint being made (Section 174(2)(b), Regulation 176(2)(b)). If the Approved Provider is unsure whether the matter is a notifiable complaint, it is good practice to contact DEECD for confirmation.

Written reports to DEECD must include:

- details of the event or incident;
- the name of the person who initially made the complaint;
- if appropriate, the name of the child concerned and the condition of the child, including a medical or incident report (where relevant);

- contact details of a nominated member of the Grievances Subcommittee/investigator; and
- any other relevant information.

Written notification of complaints must be submitted using the appropriate forms, which can be found on the ACECQA website: [www.acecqa.gov.au](http://www.acecqa.gov.au)

**Serious incident:** An incident resulting in the death of a child, or an injury, trauma or illness for which the attention of a registered medical practitioner, emergency services or hospital is sought or should have been sought. This also includes an incident in which a child appears to be missing, cannot be accounted for, is removed from the service in contravention of the Regulations or is mistakenly locked in/out of the service premises (Regulation 12). A serious incident should be documented in an Incident, Injury, Trauma and Illness Record (sample form available on the ACECQA website) as soon as possible and within 24 hours of the incident. The Regulatory Authority (DEECD) must be notified within 24 hours of a serious incident occurring at the service (Regulation 176(2)(a)). Records are required to be retained for the periods specified in Regulation 183.
