Background and legislation

Background

The Department of Education and Early Childhood Development (DEECD) provides per capita funding as a contribution towards the costs of the four-year-old kindergarten program. Income from other sources, primarily fees, is required to meet all the additional costs incurred by the service in the delivery of the children's program. In addition, the Kindergarten Fee Subsidy (refer to Definitions) enables eligible families to attend the four-year-old kindergarten program at minimal or no cost.

DEECD also funds eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs as outlined in the Victorian kindergarten policy, procedures and funding criteria (refer to Sources). DEECD requires that funded services have a comprehensive written fees policy in place, and the content of this policy must be communicated to families. The policy must include a written statement about the fees to be charged, as required under Regulation 168(2)(n), and the payment process. All families must be informed of applicable term and annual fees at the time of enrolment. Services must also advise eligible families of the Kindergarten Fee Subsidy arrangements. The fees charged must comply with the Kindergarten Fee Subsidy – Fees Policy (refer to Definitions), and be responsive to the local community and the viability of the service. The Victorian kindergarten policy, procedures and funding criteria (refer to Sources) outlines the criteria to be covered in the policy.

Fee information for families Waverley Meadows Pre-School

Why fees are necessary

The Department of Education and Early Childhood Development (DEECD) provides per capita funding as a contribution toward the costs of providing a four-year-old kindergarten program. Services meet the balance of costs through charging fees and fundraising activities. DEECD provides a Kindergarten Fee Subsidy (see below) that enables children from eligible families to attend a four-year-old kindergarten program free of charge, or at a minimal cost. DEECD also provides funding to assist eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs. Waverley Meadows Pre-School provides a range of support options to parents/guardians experiencing difficulty with payment of fees (see below).

How fees are set

As part of the budget development process, the Committee of Management sets fees each year for the programs of the service, taking into consideration:

- the financial viability of the service
- the level of government funding provided for the program, including the Kindergarten Fee Subsidy
- the availability of other income sources, such as grants
- the fees charged by similar services in the area
- the capacity of parents/guardians to pay fees
- reasonable expenditure in meeting agreed program quality and standards
- requirements of the Kindergarten Fee Subsidy – Fees Policy (details in the Victorian kindergarten policy, procedures and funding criteria document available at

www.education.vic.gov.au/ecprofessionals/kindergarten/

Fees set for the year are only reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point.

Other charges

Other charges levied by Waverley Meadows Pre-School are included on the Statement of Fees and Charges.

These include:

- Kindergarten fee deposit: This payment secures a child's place at the service and is payable on acceptance of enrolment. The deposit is retained as part payment on term fees. Families eligible for the Kindergarten Fee Subsidy and families experiencing hardship should also discuss any difficulties with the service.
- Excursion/service event charge: This additional charge is required to cover the cost of excursions or special events that occur throughout the year in response to emerging children's program needs and

interests. Affordability and relevance to the children's interests and the service

- Fees Policy program will be taken into consideration before a decision is made that will require families to pay this additional charge (refer to Excursions and Service Events Policy). Events that are planned ahead are included as an expenditure item in the service's budget and do not incur this additional charge.
- Late collection charge: The Committee of Management reserves the right to implement a late collection charge when parents/guardians are frequently late in collecting a child from the service. This charge will be set at a level determined by the Committee of Management.

Statement of fees and charges

A statement of fees and charges for four-year-old or three-year-old kindergarten will be provided to families on enrolment.

Fundraising

Not all service costs are covered by DEECD per capita funding and the fees charged. Fundraising is undertaken to meet the balance and/or pay for additional items for the service. While participation in fundraising is voluntary, the support of every family is encouraged. Fundraising activities are also an opportunity for families and communities to come together.

Child Care Benefit (CCB) - Child Care Benefit (CCB) is an Australian Government payment that can assist eligible families with the costs of childcare at an approved or registered care provider. Waverley Meadows Pre-School is an Registered care provider with the Family Assistance Office (FAO). Registered care is childcare provided for work-related purposes, including training and studying, maternity leave, sick leave or voluntary work, and the work-related purpose must have occurred at some time during the week in which the registered care was used. Registered care is provided by individuals registered with the Family Assistance Office (FAO) and may include care given by kindergarten staff. The amount payable is set by the Australian Government. Further details are available at www.familyassist.gov.au or telephone the FAO on 136 150.

Payment of fees

The Committee of Management will regularly review payment options and procedures to ensure that they are inclusive and sensitive to families' cultural and financial situations.

Fees will be invoiced to parents/guardians directly and must be paid by the date indicated on the invoice. Each invoice will be accompanied by payment instructions. The first term's fees must be received in full. For children enrolled after the commencement of a term, a pro rata invoice will be issued and must be paid in full within 14 days of the child's commencement at the service. Receipts will be provided upon request.

There will be a 5% discount for all parents/guardians who pay for a whole year of fees upfront at the beginning of the school year.

Parents/guardians experiencing difficulty in paying fees are requested to contact the Pre-school President or Fees officer to arrange a suitable alternative payment plan. The Privacy and Confidentiality Policy of the service will be complied with at all times in relation to a family's financial/personal circumstances.

Unpaid fees

If fees are not paid by the due date, the following steps will be taken.

- A Late Payment fee of \$5.00 per week will be charged unless specific arrangements have been made with the Fees Officer.
- An initial reminder letter will be sent to parents/guardians with a specified payment date, and will include information on a range of support options available for the family.
- Where payment is still not received, families will be invited to attend a meeting to discuss the range of support options available and establish a payment plan.
- Failure to attend the meeting and continued non-payment may result in a second and final letter notifying parents/guardians that the child's place at the service may be withdrawn unless payment is made or a payment plan is entered into within a specified period of time. This letter will also include information on a range of support options available for the family.
- The Committee of Management will continue to offer support and will reserve the right to employ the services of a debt collector.
- If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided

with 14 days' notice in writing.

Refund of fees

If a family becomes eligible for the Kindergarten Fee Subsidy during a term, a full refund of the applicable term fees (and fee deposit, where appropriate) will be provided. Fees may still apply for programs offering more than the required minimum hours per week.

In any other case, fees are non-refundable (exceptional circumstances may apply – these are at the discretion of the Committee of Management). There will be no refund of fees in the following circumstances:

- a child's short-term illness
- public holidays
- family holiday during operational times
- closure of the service for one or more days when a qualified educator is absent and a qualified reliever is not available
- closure of the service for staff training days
- closure of the service due to extreme and unavoidable circumstances.

In addition, there will be no refund where a family chooses not to send their child to the program for the maximum number of hours for which they are enrolled.

Children turning three during the year of enrolment

Full payment from the first day of Term 1 is required if a place is to be reserved for a child in the three year-old kindergarten program. Children can only commence the program when they have turned three.

Support services

Families experiencing financial hardship often require access to family support services. Information on these services is available from the kindergarten service provider and a list can be supplied to those families who require it.

Notification of fee changes during the year

Fees set for the year would only be reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point. Parents/guardians will be notified one term in advance of any required fee increase and will be offered the option to request a payment plan.
